

COMMISSION ON TORAH PROJECTS OF AGUDATH ISRAEL OF AMERICA

בין אדם לחברו,
בין אדם לעצמו

תשע"ד
**A Year to Fix
That
Which is Broken**

The **Yemei HaDin** are upon us. We will once again reach out to the Master of the world to grant us and all of Klal Yisroel a year filled with *bracha* and *hatzlacha*. But before we can do so, we must reach deep within ourselves and see how we have treated others. Has it been with compassion, fairness and *ahava*? Have we truly cared for others? We must look into our own lives and see how we spent the last year. Has it been one of spiritual growth by becoming a better person and reaching new heights in *ruchniyus*?

Join together with thousands of *yidden* who will gather across the country as part of the 24th Nationwide Yom Iyun to hear leading *rabbonim* guide us in grappling with the all-important areas of בין אדם לחברו and בין אדם לעצמו.

We invite you to join, be inspired and to grow. Then we will all be able to go confidently into the Yomim Noraim knowing that it will be a year where Klal Yisroel will be redeemed with the coming of Moshiach Tzidkeinu.
