Dear Members of the Jewish Community of Greater Philadelphia,

Long-time residents of the Greater Philadelphia area remember the dearth of kosher foods and establishments a few decades ago. Due to the concerted efforts and dedication of a group of Rabbonim and lay leaders Community Kashrus/Keystone-K was established. In order to ensure that kosher foods and establishments will be readily available your membership is needed.

We are fortunate to have added Rabbi Naftoli Eisemann two years ago as our administrator. During his tenure the Keystone-K has grown immensely. We have launched a [new user-friendly website](#), reviewed and codified our halachic standards and completed a legal and financial review of the organization.

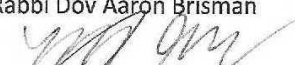

To join in this important community initiative, please become a member of the Keystone-K. Many establishments offer discounts to Keystone-K members. We encourage every member of our community to at minimum become members at the \$100 level for families. We urge those who can afford to support the community in a more meaningful way to choose a special level of membership. These special levels of membership may be made in honor or in memory of a friend or a loved one.

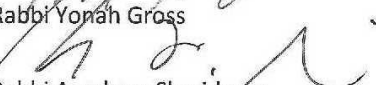

To become a member, [sign up on the website](#) or send a check to Community Kashrus of Greater Philadelphia, 2014 Upland Way, Philadelphia, PA 19131 (\$100 for family membership) with your name, address, phone number, and an e-mail address (home or business) that you would like to use.

It is our hope that with full communal support, the uniform consistency of high standards of kashrus and availability of quality kosher foods and services, will benefit the entire community.

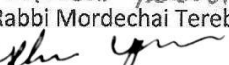

With best wishes –

  
 Rabbi Dov Aaron Brisman
